BMT Volunteer Program Volunteer Application

The Colorado Blood Cancer Institute at Presbyterian/St. Luke's Medical Center has a specialized volunteer program administered by PSL's Volunteer Office. Volunteers provide a valuable service to BMT patients and their family members. The following is a list of qualifications for individuals wishing to volunteer:

1. You must have personal experience with a stem cell transplant either as a patient or a caregiver.
2. If you received a transplant, you must be at least 1 year out from transplant.
3. You must provide a reference from a psychosocial or medical provider (e.g., social worker, psychologist, BMT doctor, advance practice nurse, etc.) from the program where you had your transplant or where your loved one had their transplant.
4. You must be willing to provide a 6-month commitment to the volunteer program.
5. You must interview with a coordinator of the BMT Volunteer Program.
6. You must take a TB test (unless your physician states that you are not to receive a TB test for medical reasons).
7. You must have a background check
